

Cleaning collars & cuffs and removing ground-in soil has never been so easy.

**EasyGo® Spray Spotter for use with Hydrocarbon, Perc or K4**

EasyGo quickly penetrates fabric to release ground-in soil, collar and cuff stains, perspiration, etc. Simply spray soiled areas before drycleaning. No brushing, flushing or waiting required. Stains and soil disappear right in the wheel. EasyGo works as a leveling agent, too!

And EasyGo is environmentally friendly. It's soy based, biodegradable, non-combustible and California 2013 VOC and Prop-65 compliant. Just spray it on and dryclean it out. With EasyGo, it's just that easy!

GreenEarth is a trademark of GreenEarth Cleaning, LLC

## Tough on Oily Stains Easy on the Environment

### Flushes Freely in Perc, Hydrocarbon, GreenEarth® or K4

TarGo EF, our high performance, environmentally friendly P.O.G., removes oil-based stains from textiles. You'll see the difference on the toughest oxidized oils, greases, inks, etc.

To remove stains easily, simply apply TarGo EF and flush the stain out in your major-solvent drycleaning wheel. On the most difficult stains, TarGo EF can be used effectively on the spotting board.

TarGo EF contains no chlorinated solvents, is biodegradable, and meets California's 2013 VOC and Prop-65 regulations. Use it with confidence!
