Outside United States and Canada CALL 1-651-222-5352

Section 2. Composition, Information on Ingredients

To the present knowledge of the supplier, this product does not contain any hazardous ingredients in quantities requiring reporting, according to local regulations.

Section 3. Hazards identification

Physical state: Solid. (Powder.)
Emergency overview: Caution!

MAY CAUSE EYE IRRITATION.
Avoid contact with eyes. Wash thoroughly after handling.

Potential acute health effects

- Eyes: Slightly irritating to the eyes.
- Skin: No known significant effects or critical hazards.
- Inhalation: No known significant effects or critical hazards.
- Ingestion: No known significant effects or critical hazards.

See toxicological information (section 11)

Section 4. First aid measures

- Eye contact: In case of contact, immediately flush eyes with plenty of water. Remove contact lenses and flush again. Get medical attention if irritation occurs.
- Skin contact: Flush contaminated skin with plenty of water. Wash clothing before reuse.
- Inhalation: If inhaled, remove to fresh air.
- Ingestion: Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If large quantities of this material are swallowed, call a physician immediately.

Section 5. Fire fighting measures

Flash point: > 100°C
Fire fighting media and instructions: Use an extinguishing agent suitable for surrounding fires.

Dike area of fire to prevent product run-off.
No specific hazard.
Special protective equipment for fire-fighters

Fire fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full facepiece operated in positive pressure mode.

Section 6. Accidental release measures

Personal precautions
Ventilate area of leak or spill. Do not touch damaged containers or spilled material unless wearing appropriate protective equipment (Section 8). Stop leak if without risk. Prevent entry into sewers, water courses, basements or confined areas.

Environmental precautions
Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Methods for cleaning up
If emergency personnel are unavailable vacuum or carefully scoop up spilled materials and place in an appropriate container for disposal. Avoid creating dusty conditions and prevent wind dispersal.

Section 7. Handling and storage

Handling
Wash thoroughly after handling.

Storage
Keep out of the reach of children. Keep container tightly closed. Keep container in a cool, well-ventilated area. Do not store above 50°C

Section 8. Exposure Controls, Personal Protection

Engineering controls
Use process enclosures, local exhaust ventilation, or other engineering controls to keep airborne levels below recommended exposure limits. If user operations generate dust, fume or mist, use ventilation to keep exposure to airborne contaminants below the exposure limit.

Personal protection
Eyes
No protective equipment is needed under normal use conditions.

Hands
No protective equipment is needed under normal use conditions.

Skin
No protective equipment is needed under normal use conditions.

Respiratory
No protective equipment is needed under normal use conditions.

Consult local authorities for acceptable exposure limits.

Section 9. Physical and chemical properties

Physical state
Solid. (Powder.)

Color
White.

Odor
Faint Odor

pH
7 (1%)

Boiling/condensation point
100 °C

Dispersion properties
Partially dispersed in cold water, hot water.

Solubility
Partially soluble in cold water, hot water.

Section 10. Stability and reactivity

Stability
The product is stable.
Section 11. Toxicological information

Potential acute health effects

- **Eyes**: Slightly irritating to the eyes.
- **Skin**: No known significant effects or critical hazards.
- **Inhalation**: No known significant effects or critical hazards.
- **Ingestion**: No known significant effects or critical hazards.

Section 12. Ecological information

Section 13. Disposal considerations

- **Waste disposal**: The generation of waste should be avoided or minimized wherever possible. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements.

Consult your local or regional authorities.

**APPLIES ONLY DURING ROAD TRANSPORT**

Any variation of the shipping description based on the packaging is not addressed.

Section 15. Regulatory information

- **HCS Classification**: Not regulated.
- **U.S. Federal regulations**: SARA 302/304/311/312 extremely hazardous substances: None.
  
  SARA 302/304 emergency planning and notification: None.

- **TSCA 8(b) inventory**: All materials are listed or exempt.

- **California prop. 65**: No products were found.
