I Product: ULTRA CLOROX 2 COLOR SAFE BLEACH (DRY)

II Health Hazard Data

Eye Irritant: Eye contact may result in temporary irritation. Prolonged skin contact may produce irritation. Avoid inhaling dust. Inhalation of large quantities of dust may produce allergic response (sensitization).

If ingested, perborate is converted to boric acid in the body. Boric acid has been found to cause reproductive and development toxicity in animals fed high levels of boric acid. There is insufficient data on these effects in humans.

No medical conditions are known to be aggravated by exposure to this product. Under directed consumer use conditions, this product is not expected to produce adverse health effects.

FIRST AID: EYE CONTACT: Immediately flush eyes with water for at least 15 minutes. Call a physician.

INGESTION: Drink a glassful of water. If skin becomes irritated from prolonged contact, rinse thoroughly with water. If irritation persists call a physician.

INHALATION: Remove to fresh air if breathing problems develop. If breathing problems persist, seek prompt medical attention.

KEEP OUT OF THE REACH OF CHILDREN

IV Special Protection and Precautions

No special protection or precautions have been identified for using this product under typical consumer use conditions.

The following recommendations are given for production facilities and for other conditions where there is increased potential for accidental, large-scale, or prolonged exposure.

Hygienic Practices: Wear safety glasses and gloves. Discontinue exposure to product if irritation or other adverse reactions develop.

Engineering Controls: Use general ventilation to minimize exposure to dust.

Work Practices: Avoid skin and eye contact. Do not inhale dust.

V Transportation and Regulatory Data

U.S. DOT Hazard Class: Not Restricted

EPA/SARA Title III/CERCLA: Bulk product is reportable under Sections 311/312. Packaged product is not reportable.

TSCA: All component chemicals are listed on the TSCA inventory.

VI Spill Procedures/Waste Disposal

Spill Procedures: Scoop, sweep and/or vacuum dry spilled material and containerize. Wash down residual to sanitary sewer.

Waste Disposal: Dispose of in accordance with all applicable, federal, state, and local regulations.

VII Reactivity Data

Stable under normal use and storage conditions.

VIII Fire and Explosion Data

Storage: Store in cool, dry place

Not flammable or explosive.

IX Physical Data

Density: 0.69 - 0.79 g/cc

Solubility in water: Complete

pH: N/A
