MATERIAL SAFETY DATA SHEET

30% POLY QUAT ALGAECIDE (COMBAT 30)

SECTION I - IDENTIFICATION

MANUFACTURER'S NAME: Haviland Consumer Products Incorporated
ADDRESS (STREET, CITY, STATE, ZIP): 421 Ann St., N.W., Grand Rapids, MI 49504
PHONE NUMBER: (616) 361-6691
EMERGENCY PHONE NUMBER: CHEMTREC (800) 424-9300
EFFECTIVE DATE: 6/23/99
TRADE NAME: 30% POLY QUAT ALGAECIDE (COMBAT 30)
CHEMICAL FAMILY: Poly Quaternary

SECTION II - HAZARDOUS INGREDIENTS

HAZARDOUS COMPONENTS

<table>
<thead>
<tr>
<th>Component</th>
<th>OSHA/PEL</th>
<th>ACGIH/TLV (Units)</th>
<th>PROD. CAS #</th>
</tr>
</thead>
<tbody>
<tr>
<td>Poly [oxyethylene (dimethyliminio) ethylene- (dimethyliminio) ethylene dichloride]</td>
<td>Not Established Not Established</td>
<td>31075-24-8</td>
<td></td>
</tr>
</tbody>
</table>

SECTION III - PHYSICAL DATA

BOILING POINT: >212°F (>100°C)
FREEZING POINT: < 0°C
VAPOR PRESSURE (mm Hg): 14.7 @ 20°C
VAPOR DENSITY (Air=1): Vapor is Water
SOLUBILITY IN H2O: Complete with water, insoluble in most organic solvents.
APPEARANCE/ODOR: Clear, pale yellow Liquid; Mild Odor
SPECIFIC GRAVITY (H2O=1): 1.13
PH: 6-8

SECTION IV - FIRE AND EXPLOSION HAZARD DATA

FLASH POINT: None
LOWER EXPLOSIVE LIMIT (% by Volume): Not Applicable
UPPER EXPLOSIVE LIMIT (% by Volume): Not Applicable
EXTINGUISH MEDIA: Dry chemical, water foam or carbon dioxide. Water should be used to cool surrounding containers.
SPECIAL FIRE FIGHTING PROCEDURES: None Currently Known
UNUSUAL FIRE HAZARD: None Currently Known

SECTION V - HEALTH HAZARD DATA

CARCINOGENICITY: None

01/18/2000

MATERIAL SAFETY DATA SHEET

30% POLY QUAT ALGAECIDE (COMBAT 30)

NTP ........................................ No
IARC ....................................... No

OVER EXPOSURE EFFECTS .......... Irritation to eyes. May cause irritation or corrosion of mucous membranes and the lungs. Exposed individuals should be monitored for respiratory distress, bronchitis or pneumonia.

PRIMARY ROUTE(S) OF ENTRY ...... Eye Contact and Inhalation

FIRST AID PROCEDURES .......... In case of contact: Immediately wash eyes and skin with plenty of water for at least 15 minutes. Remove contaminated clothing. If irritation persists, seek medical attention immediately. If inhaled: Remove to fresh air. If individual experiences nausea, headache, dizziness, has difficulty in breathing or is cyanotic, seek a health care professional immediately. If swallowed: Get medical attention immediately. DO NOT induce vomiting. Rinse mouth with copious amounts of water or milk, first. Irrigate the esophagus and dilute stomach contents by slowly giving one or two glasses of water or milk.

EXPOSURE AGGRAVATED MEDICAL CONDITIONS None Currently Known

============================================================================

SECTION VI - REACTIVITY DATA

============================================================================

CHEMICAL STABILITY ............... Stable
CONDITIONS TO AVOID .............. Not Applicable
INCOMPATIBLE MATERIALS .......... Anionic polymers
DECOMPOSITION PRODUCTS .......... Unknown, but carbon monoxide may be released on burning.
HAZARDOUS POLYMERIZATION ...... Will Not Occur
POLYMERIZATION AVOID ............. Not Applicable

============================================================================

SECTION VII - SPILL OR LEAK PROCEDURE

============================================================================

FOR SPILL ............................ Block any potential routes to water systems. Recover as much of the pure product as possible into appropriate containers. Use absorbent to collect spill or leak residue. Follow all local, state and federal regulations.

WASTE DISPOSAL METHOD .......... Dispose of according to federal, state and local regulations.

============================================================================

SECTION VIII - SPECIAL PROTECTION

============================================================================

RESPIRATORY PROTECTION .......... None Needed for Normal Use

01/18/2000
MATERIAL SAFETY DATA SHEET

30% POLY QUAT ALGAECIDE (COMBAT 30)

VENTILATION................ Not Required for Normal Use
PROTECTIVE GLOVES.......... Rubber or other impervious materials.
EYE PROTECTION.............. Chemical splash proof goggles.
OTHER PROTECTIVE EQUIPMENT... A safety shower and eye bath should be available. For operations where spills or splashing may occur, use an impervious body covering and boots.

HANDLING AND STORAGE........ Keep container closed when not in use.

================================================================================
SECTION IX - SPECIAL PRECAUTIONS
================================================================================
HAZARD CLASS................ None
DOT SHIPPING NAME.......... Not Regulated
UN NUMBER................ None
REPORTABLE QUANTITY (RQ)..... Not Listed
