Section 1. Chemical product and company identification

Trade name : ECO-STAR SOFT
Product use : Laundry softener
Supplier : Ecolab Inc. Institutional Division
            370 N. Wabasha Street
            St. Paul, MN 55102
            1-800-352-5326
Code : 990986-04
Date of issue : 31-May-2006

Section 2. Composition, information on ingredients

Section 3. Hazards identification

Physical state : Liquid. (Liquid.)
Emergency overview
CAUSES EYE AND SKIN IRRITATION.
MAY CAUSE RESPIRATORY TRACT IRRITATION.
Avoid contact with eyes, skin and clothing. Avoid breathing vapor or mist. Keep container closed. Use only with adequate ventilation. Wash thoroughly after handling.

Potential acute health effects
Eyes : Irritating to eyes.
Skin : Irritating to skin.
Inhalation : Moderately irritating to the respiratory system.
Ingestion : No known significant effects or critical hazards.
See toxicological information (section 11)

Section 4. First aid measures

Eye contact : In case of contact, immediately flush eyes with cool running water. Remove contact lenses and continue flushing with plenty of water for at least 15 minutes. Get medical attention.

Skin contact : Flush contaminated skin with plenty of water. Continue to rinse for at least 10 minutes. Get medical attention if irritation persists. Remove contaminated clothing and shoes. Wash clothing before reuse. Clean shoes thoroughly before reuse.

Inhalation : If inhaled, remove to fresh air.
Ingestion : Do not induce vomiting. Never give anything by mouth to an unconscious person. If irritation persists, get medical attention.

Section 5. Fire fighting measures

Flash point : > 100°C
Fire-fighting media and instructions
Use an extinguishing agent suitable for the surrounding fire.
Dike liquid for later disposal.
No specific hazard.
Special protective equipment for fire-fighters
Fire-fighters should wear appropriate protective equipment and self-contained breathing apparatus (SCBA) with a full face-piece operated in positive pressure mode.
Section 6. Accidental release measures

Personal precautions: Ventilate area of leak or spill. Do not touch damaged containers or spilled material unless wearing appropriate protective equipment (Section 8). Stop leak if without risk. Do not allow to enter drains or watercourses.

Environmental precautions: Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers.

Methods for cleaning up: If emergency personnel are unavailable, contain spilled material. For small spills, add absorbent (soil may be used in the absence of other suitable materials), scoop up material and place in a sealable, liquid-proof container for disposal. For large spills, dike spilled material or otherwise contain material to ensure runoff does not reach a waterway. Place spilled material in an appropriate container for disposal.

Section 7. Handling and storage

Handling: Avoid contact with eyes, skin and clothing. Do not breathe vapor or mist. Keep container closed. Use only with adequate ventilation. Wash thoroughly after handling.

Storage: Keep out of the reach of children. Keep container tightly closed. Keep container in a cool, well-ventilated area. Store between 40 and 5°C.

Section 8. Exposure controls, personal protection

Engineering controls: Provide exhaust ventilation or other engineering controls to keep the airborne concentrations of vapors below their respective occupational exposure limits.

Personal protection:
- Eyes: Wear eye protection.
- Hands: For prolonged or repeated handling, use the following type of gloves: Impervious gloves.
- Skin: No protective equipment is needed under normal use conditions.
- Respiratory: Avoid breathing vapors, spray or mists.

Name: propan-2-ol

Exposure limits:
- ACGIH TLV (United States, 1/2005):
  - STEL: 400 ppm 15 minute/minutes. Form: All forms
  - TWA: 200 ppm 8 hour(s). Form: All forms
- OSHA PEL (United States, 8/1997):
  - TWA: 980 mg/m³ 8 hour(s). Form: All forms
  - TWA: 400 ppm 8 hour(s). Form: All forms

Section 9. Physical and chemical properties

- Physical state: Liquid. (Liquid.)
- Color: Green.
- Odor: Fragrance-like.
- pH: 7.25 (100%)
- Boiling/condensation point: >100 °C
- Specific gravity: 0.985 (Water = 1)
- Viscosity: Dynamic: 75 cP
- Solubility: Easily soluble in hot water. Soluble in cold water.

Section 10. Stability and reactivity

Stability: The product is stable.
Section 11. Toxicological information

Potential acute health effects
- Eyes: Irritating to eyes.
- Skin: Irritating to skin.
- Inhalation: Moderately irritating to the respiratory system.
- Ingestion: No known significant effects or critical hazards.

Potential chronic health effects
- Chronic effects on humans: Contains material which causes damage to the following organs: upper respiratory tract, skin, central nervous system (CNS), eye, lens or cornea.

Section 12. Ecological information

Products of degradation: These products are carbon oxides (CO, CO₂) and water.

Section 13. Disposal considerations

Waste disposal: The generation of waste should be avoided or minimized wherever possible. Avoid dispersal of spilled material and runoff and contact with soil, waterways, drains and sewers. Disposal of this product, solutions and any by-products should at all times comply with the requirements of environmental protection and waste disposal legislation and any regional local authority requirements.

Consult your local or regional authorities.

Section 14. Transport information

<table>

APPLIES ONLY DURING ROAD TRANSPORT
Any variation of the shipping description based on the packaging is not addressed.

Section 15. Regulatory information

HCS Classification: Irritating material
- Target organ effects

U.S. Federal regulations: SARA 302/304/311/312 extremely hazardous substances: No products were found.
- SARA 302/304 emergency planning and notification: No products were found.

TSCA 8(b) inventory: All materials are listed or exempt.
California Prop. 65: No products were found.

Section 16. Other information

Hazardous Material Information System (U.S.A.):
- Health: 2
- Fire hazard: 0
- Reactivity: 0
- Personal protection: B

Date of issue: 31-May-2006.
Responsible name: Regulatory Affairs
Date of previous issue: No previous validation.

Notice to reader
The above information is believed to be correct with respect to the formula used to manufacture the product in the country of origin. As data, standards, and regulations change, and conditions of use and handling are beyond our control, NO WARRANTY, EXPRESS OR IMPLIED, IS MADE AS TO THE COMPLETENESS OR CONTINUING ACCURACY OF THIS INFORMATION.
