**MATERIAL SAFETY DATA SHEET**

ECOLAB INC. Technical Information: 1-612-293-2233
St. Paul MN 55102 Date of Issue: February 13, 1998

1.0 IDENTIFICATION /

1.1 Name: Stain Blaster Power Pak Starter Kit
1.2 Purpose: Starter Kit of Power Pak products

2.0 REACTIVITY /

DO NOT MIX OR USE PRODUCT EXCEPT AS DIRECTED. Certain mixtures may produce a toxic gas or generate enough heat to make the material spatter. Wear skin and eye protection when handling these and other chemicals.

3.0 CLEANUP & DISPOSAL PROCEDURES /

3.1 Cleanup: Wear rubber gloves. Wipe up spillage and rinse the area with water.
3.2 Waste Disposal: Discard solutions by flushing down drain.

4.0 HEALTH HAZARD DATA /

This kit contains chemicals that are corrosive. Do not let the products contact skin, eyes, or mucous membranes. See MSDS included in package for information on each chemical product included in this starter kit.

**KEEP THESE CHEMICALS OUT OF THE REACH OF CHILDREN.**

5.0 FIRST AID/ GENERAL FIRST AID INSTRUCTIONS

See Section 6 for additional information

5.1 Eyes: For any eye contact with chemicals flush immediately with plenty of cool water. Remove contact lenses if you wear them and flush well again. Continue to flush for at least fifteen (15) minutes, holding eyelids apart to ensure rinsing the entire eye. Call a physician immediately.

5.2 Skin: Immediately flush skin with plenty of cool water; then wash with soap and water. Wash contaminated clothing before reuse.

5.3 If Swallowed: Rinse mouth; then drink 1 or 2 large glasses of milk or water. DO NOT INDUCE VOMITING.

CALL THE ECOLAB MEDICAL NUMBER 1-800-328-0026 OR DOCTOR IMMEDIATELY
