I. Identification
A. Product Name: Mighty Tan Spotter
B. Chemical name: N/A mixture
C. Case number: N/A mixture
D. Approved application: Fabric Spot Remover

II. Occupational Control Procedures
A. Protective Equipment (type)
   1. Eyes: Chemical type goggles, no contact lens
   2. Skin: Chemical resistant gloves
   3. Inhalation: none needed

III. Emergency and First Aid Procedures
A. Eyes: Flush thoroughly with running water for several minutes. Get medical attention if irritation develops.
B. Skin: Wash exposed areas with large amounts of soap and water. Get medical attention if irritation develops.
C. Ingestion: Give 3 to 4 glasses of water. Do not induce vomiting. Get medical attention immediately.
D. Inhalation: Remove victim to fresh air. Get medical attention if symptoms persist.

IV. Physiological Effects of Exposure
A. Acute
   1. Eyes: May cause slight eye irritation
   2. Skin: Frequent or prolonged contact may irritate and cause dermatitis. Low order of toxicity
   B. Chronic: None known
   C. Sensitization properties: None known

V. Fire and Explosion Data
A. Flashpoint: N/A
B. Extinguishing media: Use water fog or spray for escaping ammonia gas
C. Special fire fighting procedures: none known
D. Special precautions: none known

VI. Reactivity Data
A. Stability: Stable
B. Incompatibility: Strong oxidizing agents
C. Hazardous combustion or decomposition products: Carbon monoxide, Carbon dioxide, Nitrous oxides, OXides of phosphorus, Carbonyl Chloride

VII. Physical and Chemical Properties
A. Boiling Point: 181 degrees Fahrenheit
B. Specific Gravity: 0.896
C. Evaporation Rate: 0.6
D. Appearance and Odor: Whitish liquid with sweet acetate odor
E. Freezing Point: 10 degrees Fahrenheit
F. Vapor Density: 2.9
G. Solubility in Water: Soluble
H. pH: 6

VIII. Environmental Protection
A. Waste disposal method: In accordance with local, state and federal regulations and consistent with good ecological practices
B. Spills and leakage: Remove spill with absorbent material and transfer to a non-leaking container

IX. Composition
Proprietary mixture - Must contact manufacturer

X. Regulatory Information
Department of Transportation Classification: Combustible and moderately corrosive

Important: The information presented herein, while not guaranteed, was prepared by competent technical personnel and is true to the best of our knowledge.

NO WARRANTY OR GUARANTRY, EXPRESSED OR IMPLIED, IS MADE REGARDING PERFORMANCE, STABILITY OR OTHERWISE.

While our technical personnel will be happy to respond to the safe handling and use procedures, safe handling and use remains the responsibility of the customer.
