Ah Products

Section I - Chemical & Product Identification

Product Name: Ah Fabric Finisher
Date Prepared: June 1, 2015

Product Class: Fabric Enhancer
Emergency Number: 952-230-7960
Telephone Number: 612-408-8388

Manufacturers Name & Address:
Ah Products, Inc.
5251 W. 73rd, Ste F
Edina, MN 55439

Section II – Hazard Identification

Emergency Overview
Water based Fabric Finisher

Primary Hazards: Not a hazardous substance or mixture

Route(s) of Entry: Skin X  Ingestion  Inhalation X

Symptoms & Sign of Over Exposure

Inhalation: Not expected to be irritating under normal use conditions.
Ingestion: Not expected to be irritating under normal use conditions.
Eye: Not expected to be irritating under normal use conditions.
Skin: Not expected to be irritating under normal use conditions.

Carcinogenicity:
NTP: No
IARC Monographs: No
OSHA Regulated: No

Target Organs: None

Medical Conditions aggravated by Exposure: None known

Health Hazards:
Chronic: None known
Acute: None known

Section III – Ingredient Information

Hazardous Components (Specific Chemical Identity; Common Name(s))

Section IV – First Aid Measures

Inhalation: Remove to fresh air. Monitor breathing. If symptoms persist, call a physician

Ingestion: If conscious, clean mouth with water and drink plenty of water afterwards. If unconscious, do not give anything to drink, do not induce vomiting, and obtain immediate medical aid.

Skin Contact: Wash skin with cool water. Obtain medical aid if irritation develops. Remove contaminated clothing and launder.

Eye Contact: Immediately flush eyes with cool running water for at least 15 minutes. Obtain medical aid if irritation develops.

Section V – Fire Fighting Measures

Flash Point: > 200
Ah Products

### Unusual fire / Explosion Hazards
None known

### Fire Extinguishing Media:
Foam, carbon dioxide, dry chemical, water fog, water

### Special Information:
Wear safety equipment appropriate for the primary source of the fire. Containers may melt or rupture from the heat of a fire.

### Section VI – Accidental Release Measures
Wear appropriate safety equipment.

**Spills:**
Small spills: Contain the spill, Mop thoroughly and rinse with water.
Large Spills: Area will be very slippery. Dike product with sand or dirt. Keep out of surface waters. Salvage for reuse if possible. Otherwise place into suitable container for disposal. Inform local pollution officials of spill. Spill may be considered RCRA hazardous if contaminated. Call local regulatory agency.

**Waste Disposal:** Dispose in accordance with federal, state and local regulations.

### Section VII - Handling & Storage
Keep out of reach of children. Keep container closed when not in use. Empty containers may contain product residues – observe all warnings and precautions. Keep from freezing. Store away from sources of heat and incompatibilities. Best to store between 40°F and 90°F.

### Section VIII – Exposure Control/Personal Protection

#### Airborne Exposure Limits:
See section 3

#### Ventilation System:
Local and/or general exhaust is recommended to keep exposure low. Contains no substances with occupational exposure limit values.

#### Personal Respirators:
Not needed under normal use conditions.

#### Skin Protection:
None needed under normal use conditions. For prolonged or repeated contact use protective gloves complying with EN 374.

#### Eye Protection:
None needed under normal use conditions. Goggles or splash-proof glasses if there is splashing possible.

### Section IX – Physical/Chemical Properties

### Section X – Stability & Reactivity
Ah Products

Stability: Stable
Hazardous Decomposition Products: None known
Hazardous Polymerizations: Will not occur.
Incompatibilities: oxidizing agents and mild steel
Conditions to Avoid: Avoid temperatures over 140F, direct sunlight

Section XI – Toxicological Information

Carcinogenicity: Not listed as carcinogenic according to IARC, NTP or OSHA
Oral: LD50 > (rats) no data available
Primary irritant effect:
On the skin: should not irritate
On the eye: slight effect.

Section XII – Ecological Information

Ecological Fate and Toxicity: None known.

Section XIII – Disposal Information

Processing, use, or contamination of this product may change the waste management options. State and local disposal regulations may differ from federal disposal regulations.

Dispose of container and unused contents in accordance with federal, state and local requirements.

Section XIV – Transportation Information

DOT Proper Shipping Name: Water based fabric finisher

Section XV – Regulatory Information

NFPA Hazard Identification System Ratings
